Cameco Investor Webcast Advisory

Saskatoon, Saskatchewan, Canada, November 17, 2014

Cameco (TSX: CCO; NYSE: CCJ) will webcast proceedings from its investor workshop on Monday, November 24, 2014 at 1:00 p.m. Eastern.

Management directly responsible for key aspects of Cameco's business will present on topics including Saskatchewan uranium and assets, Cigar Lake mine, uranium mining in Kazakhstan, and the uranium market. There will also be a panel discussion and Q&A with members of Cameco's executive team.

A live webcast will be available on cameco.com by using Windows Media Player or Flash software. For more information, including a detailed agenda, visit the [investor workshop](#) page. An archive of the presentations and transcripts will be available on our website after the live event.

Profile

Cameco is one of the world's largest uranium producers, a significant supplier of conversion services and one of two Candu fuel manufacturers in Canada. Our competitive position is based on our controlling ownership of the world's largest high-grade reserves and low-cost operations. Our uranium products are used to generate clean electricity in nuclear power plants around the world. We also explore for uranium in the Americas, Australia and Asia. Our shares trade on the Toronto and New York stock exchanges. Our head office is in Saskatoon, Saskatchewan.
